## My electricity saving check

- ✓ I am receiving unemployment benefit II (ALG II), housing benefits or other state transfer benefits.
- ✓ I will obtain free-of-charge consultation at home.
- ✓ I will immediately save energy and ready cash.
- ✓ I will receive a personal energy savings plan. It shows me where I can bring down costs without having to forego anything.
- ✓ I will get great energy-saving items for free, worth about 50 – 150 EUR, ranging from energy-saving light bulbs to a water-saving shower head.
- ✓ My electricity consumption decreases. I will have more money in my pockets.

## My way to reducing costs:

Make an appointment

Electricity savings check at home.  
Competent, reputable,  
confidential.

A few days later: The free  
energy savings devices are  
delivered and installed free of  
charge.

Reduce the electricity bill  
with your personal  
energy savings plan.

## Exchange of refrigerators A voucher worth 150.- EUR

### Framework conditions:

- Participation in the electricity savings check
- The existing device is older than 10 years
- Size and type of the new device is comparable to the existing one.
- The new device must have efficiency class A+++
- Through the exchange, savings of at least 200 kWh/a can be gained.
